

LUNENBURG PTO REQUEST FOR FUNDING

APPLICATION MUST BE TYPED

?? Please type your responses below and email it to: administrator@lunenburgpto.org

?? Applications will be accepted between 12/23/09 and 1/22/2010

APPLICANT INFORMATION

Applicant Name: Helena Louzonis

Position: Science Chair

School: Lunenburg High School

Contact Phone Number:

PROJECT INFORMATION

Project Title:

Amount Requested \$ \$450

Project Start/End Dates:

1. Project Description: Summarize the proposed project in the space provided. Describe who is the target audience; what will happen; when and where it will occur; and how the project will be executed. NOTE: You may provide additional narrative on a separate sheet of paper, but you *must* summarize the project here. Your answer in the space below may not exceed 750 characters.

The request is not glamorous however it affects every student that takes science classes. We are currently purchasing many gallons of distilled water at a cost of about \$1.00 a gallon. We need to use this in order to get accurate lab results. Every solution that is made needs to be made with distilled water. From Biology through AP Biology, from environmental through chemistry all use solutions that need water. If we purchase distillation apparatus we can ultimately save money, improve the science experimentation of all students and not worry about storage for many bottles as we can make water when it is needed.

2. Describe the planning process for this project. What individuals and organizations have been involved as partners and/or advisors? How would partial funding impact this project? Your answer in the space below may not exceed 500 characters.

3. Explain how this project will reach and benefit the students of your school. How will you know the project is successful? Your answer in the space below may not exceed 500 characters.
