

About the Lunenburg PTO

The Lunenburg PTO is a system-wide organization comprised of parents, teachers, administrators and community members committed to promoting the best educational experience for our children in the Lunenburg public schools.

Last year...

In the 2010-2011 school year, the Lunenburg PTO focused on fundraising, and voted to appropriate funds in the following ways:

- Discretionary funds to the principals of each school.
- At the Primary school: Kindergarten and Grade 2 libraries; walkie-talkies and velcro to support the Achieve classrooms.
- At the Elementary school: Grade 4 dictionaries and Grade 3's community learning project, Haiti Bowls.
- At the Middle school: Document cameras for Grade 7 and Audio Equipment for the library.
- At the High school: Audio Equipment for the Foreign Languages department.
- A scholarship awarded to a graduating LHS senior

It's time for a change!

- This year the PTO will focus on providing direct classroom support to the teachers.
- The PTO will sponsor a grade-level representative for every grade, K through 12. These reps will work with teachers to develop Request Lists, which will be communicated to the PTO and the parent community.
- Many hands make light work! This year we'll maximize short-commitment opportunities that allow busy parents to get involved.
- Fundraising efforts will be limited, meaning your membership dues are more important than ever! We'll use these funds to support the PTO scholarship and continue to provide discretionary funds to each school.

Thank you for your support of the Lunenburg PTO!
